MSCBC starts work on interim report, set to be finalised today

VISHWAS WAGHMODE
MUMBAI, FEBRUARY 4

AFTER THE Maharashtra government handed over data on the Other Backward Classes (OBC) to the Maharashtra State Commission for Backward Classes (MSCBC), the panel met on Friday to finalise the interim report. However, the meeting was adjourned and will be held again on Saturday.

"Today, the MSCBC worked on the data given by the government. However, the work of preparing the interim report could not be completed due to lack of time. The meeting will resume tomorrow at 11 am and the work will be completed by noon," said a member of MSCBC, adding that the meeting went on for almost seven hours.

The member added that the commission will hand over the interim report either on Sunday

or Monday to Chief Minister Uddhav Thackeray.

"The MSCBC checked the correctness of the data given by the government. It also looked at the primary source behind these reports and their validity. Discussion took place on the final summary and the interim report. It will be finalised tomorrow," said another member.

Officials said the report will be crucial as it will be presented by the state government in the

Supreme Court during the February 8 hearing, seeking restoration of OBC quota in local bodies. Last week, the government had handed over the data to the MSCBC and requested it to give an interim report at the earliest. In January, the HC asked the government to submit data on OBCs to the MSCBC to examine its correctness and make recommendations on their representation in elections for the local bodies.

No separate 'national plan' for Covid under Disaster Management Act: Centre to HC

OMKAR GOKHALE
MUMBAI, FEBRUARY 4

THE UNION government on Friday told the Bombay High Court that it has not framed any policy which discriminates between the vaccinated and unvaccinated persons by making the inoculation mandatory. "Therefore, the question of whether the state government's decision to allow only fully vaccinated persons to use public transport violates the Centre's guidelines does not arise," it said.

The Centre also said there is no separate 'national plan' under Disaster Management Act, 2005, framed after the onset of pandemic, while there is a national plan of 2019 for preventing epidemic, which is accepted by the Supreme Court.

A division bench of Chief Justice Dhananjaya Datta and Justice Makarand S Karnik on January 20 sought to know from the Centre to respond to state government's query as to whether there was a national plan under DMA to combat Covid and if it differentiates be-

tween vaccinated and unvaccinated persons for permitting them to avail public transport during the pandemic. The bench is hearing pleas filed by activists Feroze Mithiborwala and Yohan Tanveer, through advocates Tanveer Nizam and Nilesh Ojha, respectively, which challenged state's SOPs, by seeking that all people in MMR be allowed to travel by local trains, irrespective of their vaccination status.

"It is also clarified that the Centre has not framed any policy or guideline as to whether it is mandatory to get vaccinated. But

we have said it is larger good and desirable that majority of population gets vaccinated," Additional Solicitor General Anil Singh for the Centre said.

Representing the state government, senior advocate Anil Anturkar submitted that the decision was taken as the Constitution permits reasonable restrictions in the "interest of general public". "Periodical review is an inbuilt assurance that the decision cannot be arbitrary and it is a temporary measure." The bench posted further hearing to Monday, February 7.

DELAY IN DRAT CHAIRPERSON APPOINTMENT HC asks Centre for road map of steps taken to fill empty positions

OMKAR GOKHALE
MUMBAI, FEBRUARY 4

EXPRESSING DISPLEASURE over the delay in the appointment of the chairperson of Debt Recovery Appellate Tribunal (DRAT) in Mumbai and officers of Debt Recovery Tribunal (DRT), the Bombay High Court on Friday directed the Union government to submit a short note giving a road map of what steps are being taken to ensure such appointments are made at the earliest.

DRTs are constituted under the Union finance ministry to enable banks and other financial institutions to recover debt from borrowers in a speedy manner.

A division bench of Chief Justice Dipankar Datta and Justice Makarand S Karnik was hearing pleas seeking direction

to the Centre to appoint the chairperson of DRAT, Mumbai. The HC has been passing directions to aid litigants who are left without an appellate forum, due to vacancies in DRAT. The bench remarked: "We are doing the function of DRAT now. We are doing the actives being used (by the central government) that due diligence is being done (for appointing the chairperson of DRAT). What due diligence?"

Additional Solicitor General Anil Singh, representing the Union finance ministry and other departments of the central government, said the process is on to appoint a DRAT chairperson. The HC told Singh, "Please convey to your officers that if we do not get a proper picture by Thursday, we may have to think otherwise."

ArcelorMittal's €1.7-bn deal with France signals its push for more green energy

REUTERS Paris, February 4

STEELMAKER ARCELO-MITTAL SAID the French government would support its green transition efforts which include investments in two sites in northern France, worth €1.7 billion (\$1.95 billion). The company's latest projects come as French President Emmanuel Macron's government looks to step up investments in northern France - traditionally an industrial heartland of the country - ahead of April's presidential

election. Two of ArcelorMittal's steelmaking sites in Fos-sur-Mer and Dunkirk, both situated in the north of France, will be transformed while maintaining equivalent production capacities. In Fos-sur-Mer, the company plans to install an Electric Arc Furnace, using the electric power grid rather than coal while in Dunkirk, ArcelorMittal is banking on hydrogen, combined with an electric furnace. The investment will contribute to achieving the goal of reducing carbon emissions

from producing steel by close to 40% by 2030. The move "put France's steelmaking industry on the path of the Paris Agreement", the company said, referring to a multilateral agreement signed between 195 countries in 2015 to limit man-made global warming.

Additional municipal commissioner (health) Suresh Kakani said the indexing of scanned data of records from 1880 is required to be carried out. "As a pilot project for the indexing of 50,000 records/reports, Rs 5.5 crore has been proposed in the budget 2022-23," he said, adding that the plan is to complete it by April.

Kakani said, "The archival records are massive in numbers, hence we decided to have a cut-off from 1880.

BPO employee held for killing girlfriend

SACHIN GAAD

Over 10 days after a 29-year-old BPO employee went missing from Villa Parle West, the city crime branch arrested her boyfriend in connection with her murder. The body of Pinki Misquit was recovered from Waghoba Khind, a farmhouse in Palghar district, on Thursday evening.

The police said Pinki was last seen on January 24 when she left home for work. Her family had approached the Santacruz police, which lodged a missing person complaint, while the crime branch unit 9 launched a parallel investigation.

The crime branch found her last location at Palghar and accordingly interogated several people. On Thursday, at 11 pm, a woman's decomposed body was found. The appearance and clothes matched the missing report.

While filing the complaint, Pinki's family had suspected Zico Misquit, 27, to be a perpetrator, who also stays in the same locality. The police learnt that Zico and Pinki used to work in the same call centre where they grew close to each other.

On January 24, both of them went to Palghar. However, a heated argument broke out between the two and in a fit of rage Zico allegedly killed her with a sharp object. During interrogation, Zico confessed to killing her, after which he was handed over to the Palghar police.

Girlfriend involved in Mahim beach fatal attack

STAFF REPORTER
Mumbai

The Mahim police have arrested two people from Nana, in connection with the murder of Waseem Chaudhary, 21, whose body was found near Mahim beach. A railway ticket found in his pocket helped the police crack the case.

The accused - Kamruddin Khan alias Kammu, 26, and Balkrishna Gupta, 23, both residents of Govandi, acted out of revenge as Kammu was reportedly being blackmailed by Waseem over a compromising video. Waseem's girlfriend, who was with him at the time of the incident, had also sustained injuries, but the probe has revealed her involvement. The police said she will be arrested soon.

As per the probe, Waseem was holding Kammu at ransom over the video and had taken money for drinks and drugs from him; he was also allegedly making him do odd jobs. Fed up with the blackmailing, Kammu along with Gupta and the girl hatched a plan and took him to Mahim, which is isolated during the night.

After the attack, Waseem's girlfriend took a taxi and got herself admitted at Bhabha Hospital in Bandra. As she had injuries on her neck and hands, the doctors informed the police. In her statement to the police, she said they were sitting near Chowpatty when two strangers came and attacked them with knives.

Scrutinising the CCTV footage, the police found that two strangers had followed Waseem and his girlfriend when they boarded a train from Govandi to reach Wadala and then to Mahim. The detection team found the two men boarded a train on Wednesday morning to Nagpur. Deputy Commissioner of Police, Zone 5, Pranay Ashok said the team arrested the two from Nagpur. They were produced in court and remanded to police custody till February 8.

HC asks state why were non-vaccinated barred in trains

NARSI BENWAL
narsi.benwal@fjy.co.in

The Bombay High Court on Friday ordered the Maharashtra government to spell out on what basis it issued the SOP disallowing non-vaccinated citizens from travelling in the suburban local trains. The Union government, meanwhile, told the HC that as per its policy, vaccination is not mandatory for citizens.

A bench of Chief Justice Dipankar Datta and Justice Makarand Karrik, was hearing petitions challenging the SOP issued by the state government disallowing non-vaccinated citizens from travelling in local trains.

Senior counsel Anil Anturkar, representing the state, argued that the National Disaster Management Act allows the state to impose such restrictions for the betterment of the public at large.

"Our state's limited stock of medical supplies shouldn't be put to such a situation that people die for want of it," Anturkar said, adding, "We aren't disallowing these people to travel from any other mode of transport but only in trains."
